

Leos 2025 District 27A2 Convention

Thank you to all that made the 2024 Leo Convention such a great success! Last year Forty-four Leo's were able to complete 100 service hours the day of the convention and donate \$3600.00 to Lions Camp. Now with the 2025 Convention for District 27A2 right around the corner, Leo's are focusing this year's efforts on supporting our local food pantries. With our signature sponsor, Port Washington State Bank, Leo's will be collecting donations for birthday kits that will be donated to Family Sharing, Ozaukee Food Alliance, and Port Washington food pantry. Please consider supporting our Leos as they look to make sure everyone has a cake for their birthday!

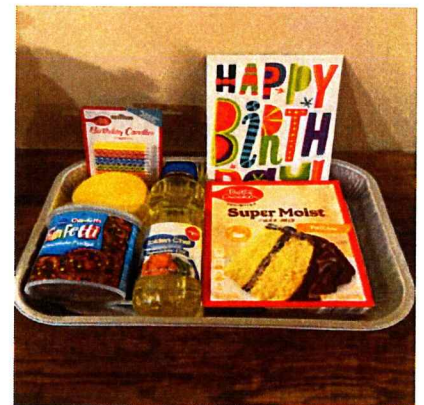

How can you help?

- Drop off birthday kit supplies at the Port Washington, Saukville, or Grafton branch of Port Washington State Bank starting the week of January 27th. Leos will also be at each of these branches for an in-person collection on Saturday February 22nd from 9 - 11 AM.
- Scan the QR Code or log onto <https://grafton-leos-club.square.site/> and purchase a complete kit(s) or donate directly to one of our local pantries!
